

Great Rides & Family Fun – The Bobbin Head Cycle Classic

This event will take place on Sunday 25th March 2012. There will be rides to suit all levels of cyclist.

The Rides

Experienced cyclists can rise to the challenge of the **100 km ride** from **Turrumurra to Calga** and back via beautiful **Bobbin Head**.

Regular riders who fancy an easier option can choose the **50 km ride** which follows the same route through Bobbin Head, before **turning around at Berowra**.

The **15km route** will suit families and less experienced riders. This group will travel at a leisurely pace to the **National Park Gates** above Bobbin Head, before returning to the start.

Start, Finish and Entertainment

The start will be staggered with longer distance riders leaving from 6.30 am. The **start** is at **Karuah Oval, corner of Karuah Road and Eastern Road, Turrumurra**. The oval is about 750 metres from Turrumurra and Warrawee Railway Stations.

Fun Day!

This will also be a fun day for the family, with **food and drink stalls, music and cycle exhibitions** at the finish at Karuah Oval. So after your ride you can enjoy a leisurely **lunch with family and friends**.

Who are we helping?

The aim of the event is to raise funds for two charities: **Lifeline–Harbour to Hawkesbury** and a project to build a **Hospital at Bo, Sierra Leone**. There are more details of these organisations and the good work that they do on our web site.
